Hint

A diagram of a baseball field. The infield is brown, and the outfield is green. The bases are marked with blue circles: 1B (First Base), 2B (Second Base), 3B (Third Base), and SS (Shortstop). The pitcher's mound is marked with a blue circle labeled 'P'. The catcher's position is marked with a blue circle labeled 'C' and a home plate labeled 'HP'. The center field is marked with a blue circle labeled 'CF'. The left field is marked with a blue circle labeled 'LF', and the right field is marked with a blue circle labeled 'RF'. A white diamond is at the center of the infield. A small orange circle labeled 'BALL' is positioned near the shortstop (SS) base, indicating the location of the ground ball hit by Cadi.
